Critical thinking will be explored in examining these aspects of behavior. Students will have frequent examinations and quizzes as part of the course requirements. This course satisfies general education requirements in the social sciences area. 3 lecture hours per week.

Text for the course: Schacter, D. L., Gilbert, D. T., & Wegner, D. M. (2010). *Psychology* New York: Worth Publisher.

Course Objectives:

At the conclusion of a Social Science course, successful students will be able to

- demonstrate an ability to examine human behaviors as a way of understanding the human condition;
- identify the ideas, people, and events that are generally thought to be important by social scientists;
- express points of view based on social scientific knowledge;
- exhibit elements of critical thinking and scientific methodology in examining human behavior.

Attendance: You are expected to attend class. Roll will be taken in each class. **NOTE:** In college, there are no "excused" absences. If you are participating in extra-curricular, social, athletic, or leadership activities (or even in off-campus field trips or activities required for other

courses), you do so by your own choice, and you are responsible for the consequences of those choices (e.g., work turned in late is LATE, even if you were absent on the due date). It is the student's responsibility to find out which assignments are missed during an absence.

Rude and Disruptive behavior: PLEASE respect others and do not bring food, drinks, laptops, or cellular phones to class. Teachers at Dixie State College have the right to manage the classroom environment to ensure a good learning climate. Toward this end, teachers (or college security) may dismiss and remove disruptive students from individual class activities. If a student's behavior continues to disrupt class activities, the teacher may dismiss and cause the removal of disruptive students from their course. Students who believe themselves wrongfully disciplined may appeal those disciplinary actions through the standard grievance procedure

Disability Statement:

Students with medical, psychological, learning or other disabilities desiring reasonable academic adjustment, accommodations, or auxiliary aids to be successful in this class will need to contact the DISABILITY RESOURCE CENTER Coordinator (Baako Wahabu) for eligibility determination. Proper documentation of impairment is required in order to receive services or accommodations. DRC is located next to the testing center on 1000 East, in the North Plaza Building. Visit or call (435) 652-7516 to schedule appointment to discuss the process. DRC Coordinator determines eligibility for and authorizes the provision of services.

Academic Honesty Policy: Academic dishonesty in any form will not be tolerated at Dixie State College, including but not limited to plagiarism on written assignments, submitting other person's work as one's own, and cheating on exams or quizzes. Teachers at Dixie State College may discipline students proven guilty of academic dishonesty by:

Each test will contain approximately 50 questions and be worth 200 points. The final exam will contain 100 questions and will be worth 100 points (roughly 60% of the questions on the final will be taken from previous exams. For the most part, tests will cover information from the text; however, they may also include questions on videos, handouts, or class discussions. All tests will require a Scan-Tron testing sheet, available at the bookstore, and a soft-lead (#2) pencil and the final exam will require the blue larger scan-tron

Quizzes: starting in the 2nd week of the semester quizzes will be given during the beginning of the class period. These quizzes will cover the material from that class periods reading assignment and from the previous class reading assignment. These quizzes will not count against your grade, but can be used to make up a poor test score (Does not include the final exam). These quizzes will be simple and straight forward if you do the reading. Two of the lowest quizzes will be dropped. Quizzes cannot be made up.
