There is a strong correlation between class attendance, participation, and grade. Attend class regularly and participate in class discussions. Regardless of the reason for the absence, the student is responsible to find out about, and make up, missed work.

Classroom Policy: All students are encouraged to participate in classroom discussions, but appropriate levels of maturity and respect (to the instructor and other students) must be demonstrated. Come prepared and with a good attitude. Be prepared for give and take. Encourage each other to participate, and we'll have a great experience.
