**Text:** Crooks, R. & Baur, K. (2010). *Our Sexuality* (11th ed.). Thomson, Wadsworth. ISBN-10: 0495812943

**i-clicker:** an electronic response device needed for class participation

**Overview:** This course is an overview of human sexuality from birth through adulthood. We will discuss and examine historical, religious, cultural, physiological, sociological, political and legal points of view on our sexuality as humans.

Most importantly, this course is about who we are as human, sexual beings. It is a very personal subject that can be challenging to discuss in class. We will work on an atmosphere of openness and respect to make our work together safe, fun, and educational.

**Philosophy/Expectations:** This course will operate on the philosophy that active engagement with material fosters quality learning. There will be ample opportunity for in-class discussion, both in small groups and with the entire class. Students are expected to read assigned text prior to class and be prepared to participate in class. Students can expect that I will come to class very well prepared and that I will do my very best to conduct the class so that it is interesting, informative, and respectful.

“Sex is a natural function.

You can't make it happen, but you can teach people to let it happen.”

~William Masters

**Class Courtesy, Respectful Behavior & Responsibility:** We will have a class discussion on the first day about our responsibilities to each other in this learning environment. We will generate expectations for behavior during class that will help us create a positive, responsible, and respectful learning environment. I will protect your right to learn in this class. This may include me asking your peers to leave class if they become disruptive, demonstrate a lack of respect for our collective goals, etc. Some behaviors that are disruptive and disrespectful include (but are not limited to): inappropriate computer and phone usage, talking out of turn or laughing inappropriately, note passing, and sleeping.

**Learning Objectives & Outcomes** will be distributed on Canvas.

**Assignments:** There will be in-class *i*-clicker questions and/or small group activities in each class session. There are also three 2-3 page short papers and one 8 to 12 page term paper (written on a word-processor, 12 pt. font, double-spaced). The term paper will be either a Personal Sexual Values paper or a research paper on a topic in Human Sexuality. **The completed term paper is due on Canvas on April 17<sup>th</sup>. ALL ASSIGNMENTS MUST BE TURNED IN ON TIME TO RECEIVE FULL CREDIT.** Late assignments can be turned in up to one week following the due date with points deducted for being late – no late work will be accepted after one week following the due date without a valid excuse cleared by the professor.

*Note: Valid excuses are documented excuses that make it clear that it was not possible to come to class or finish an assignment (e.g. medical note of illness, car repair receipt, etc.).*

**Attendance and Participation:** With so much of the work for this course done in class, it is vital that you attend every class period. Class starts on the hour. Students who are late to class will not be able to earn full participation points for the day. Any student that is more than 5 minutes late will be considered absent for the class day – *do not come in to the class past this point.* You will earn points by answering *i*-clicker questions and demonstrating in discussions that you have done the reading and any other preparation assignments for the day. See Dixie State College of Utah, Policies and Procedures Manual, section 5-23 on ATTENDANCE for further details.

**Exams:** There will be four Midterm Exams and one Final Exam. The Midterm Exams will be available for one day in the Testing Center (you will be required to present your student ID to take the exam, Testing Center hours are between the hours of 9:00 am and 10:00 pm Monday through Friday). Your lowest midterm exam grade will be dropped from the calculation of your final grade. The exams will consist of multiple choice items from the material presented prior to the examination. See the schedule for the Midterm Exam dates. **The Final Exam is in class on Friday, April 26<sup>th</sup>, from 12noon to 2pm.** Please see the Testing Center website, <http://new.dixie.edu/testing>, for further information and to verify hours of operation. **No early or makeup tests will be permitted for any of the exams without a valid, documented excuse.**

➤ **You must take each Exam**

- If you miss any exam, even with a valid excuse, that exam will be dropped from your final score.
- Make-up exams will only be given after the first missed exam and with a valid, documented excuse.
  - I typically give credit for questions that are answered incorrectly by seventy percent of the class or more.
  - At no time during the course will grades be curved. Your point totals determine your grade, not how other people perform.

Classroom expectations: It is the responsibility of an instructor to manage the classroom environment to ensure a good learning climate for all students. This means not talking when the teacher is talking, following instructions, and speaking and acting respectfully to the professor and fellow students. If your behavior is disruptive, I will first let you know verbally that you are behaving inappropriately. If it continues, I will send you written notice that your behavior must change. As a last resort, I will drop you from the class. For more details, please see the disruptive behavior policy at: <http://www.dixie.edu/humanres/policy/sec3/334.html>

College resources: Several college resources are available to help you succeed. Check out the links for each one to get more information.

If you need help understanding the content of your courses, go to the Tutoring Center located on the 4th floor of the Holland Centennial Commons in Room 431. You can visit them online at <http://dsc.dixie.edu/tutoring/>

If you need help writing papers, go to the Writing Center on the fourth floor of the Holland Centennial Commons in room 421. You can also visit them online at [http://new.dixie.edu/english/dsc\\_writing\\_center.php](http://new.dixie.edu/english/dsc_writing_center.php)

If you need to use a computer to do schoolwork on campus, go to the Smith Computer Center or in the Dixie College library on the second, mezzanine, or third floors of the HCC.

If you are assigned to take a test in the Testing Center, go to the North Plaza. You can get information on their website at <http://new.dixie.edu/testing/>

The Library has all kinds of information and resources. Visit the Dixie State College Library on the 2<sup>nd</sup>, and 3<sup>rd</sup> floors of the Holland Centennial Commons, or go to the library website at <http://library.dixie.edu/>

College approved absences: Dixie College Policy explains in detail what needs to happen if you anticipate being absent from class because of a college-sponsored activity (athletic events, club activities, field trips for other classes, etc). Please read this information and follow the instructions carefully! The policy can be found at: <http://www.dixie.edu/humanres/policy/sec5/523.html>

Academic integrity: I believe that most students are honest, and I don't want to punish everyone for the few that aren't. However, I will not tolerate cheating, and if I discover that it has occurred, a zero grade will be given for that assignment or exam, and you will not be allowed to make it up. Repeated or aggravated offenses will result in failing the course. Any time you take credit for work you did not do, you are cheating. This includes getting the answers to homework problems from someone else, copying information from a library or internet source and presenting it as if it were your own words (plagiarism), looking at someone else's answers on an exam, and asking someone who has already taken a test about what questions it contains. I have tried to design assignments and exams to minimize the temptation to cheat, but it is not my job to prevent you from cheating. If you cheat and are not caught, it doesn't mean that you "beat the system." It means you violated the Student Code and forfeited your integrity, whether or not you are caught. You will pay the price, sooner or later. (See "Student Code" <http://www.dixie.edu/humanres/policy/sec5/533.html#appeals>).

Student Appeals: Students who believe themselves wrongfully disciplined may appeal those disciplinary actions through the standard grievance procedure. (Policy 5-35)
