ATTENDANCE

Please refer to <http://www.dixie.edu/humanres/policy/sec5/523.html> for a full explanation for the DSC Attendance Policy. Regular and prompt attendance in classes and laboratory sessions is expected of every Dixie State College student. An absence does not excuse a student from completing work missed. It is the student's responsibility to find out which assignments are missed during an absence.

Students who must miss class because of a college-sanctioned activity, such as an athletic event, club activity, class assignment, or other approved event, are responsible to assuring that their instructors have been notified and for completing any missed assignments. By the second day of class, students with recurring absences must provide each instructor written notification from the appropriate department that includes a schedule of competition, the names of those students on specific teams likely to travel, and the dates and approximate times of departure and return to campus. So that student participation in travel can be verified, the appropriate department will be responsible for informing individual faculty of changes to team rosters and travel schedules throughout the semester. One week prior to an absence, the student will meet with the instructor to arrange a reasonable accommodation, if feasible, to allow the students to complete any missed coursework and/or exams. The instructor may require the student to submit work prior to the due date if the student will be absent. It is the student's responsibility to complete the student absence schedule with the instructor and abide by it. Students with recurring or frequent absences from a course are required to check their schedules against the course syllabus and provide a list of expected absences for the semester by the second day of class. Upon reviewing the list, the instructor may determine that the absences will interfere with the student's ability to succeed in the course. If so, the instructor will recommend that the student seek an alternative. **FOR THIS CLASS, IF YOU HAVE AN INSTITUTIONAL EXCUSE TO MISS A DAY OF CLASS, YOU CAN MAKE UP THE PARTICIPATION POINTS BY WRITING UP A FULL ½ PAGE (SINGLE SPACE) SUMMARY ABOUT THE TOPIC YOU MISSED IN CLASS. THIS SUMMARY IS DUE THE FIRST DAY AT CLASS AFTER YOUR EXCUSED ABSENCE.**

CLASS POLICIES AND DISCIPLINE POLICY

1. Turn off/silence any cell phones. Phones ringing/vibrating can be very distracting for everyone.
2. Come to class on time. It can be distracting to have students coming/going at different times. Make an effort to either come early or on time to class. Also, please make every effort to stay for the entire class period. If arriving/leaving on time is going to be an issue, please contact me so we can resolve this.
3. Read text before class session. This will only help you to better understand the material. If you read the text before class you will be prepared to ask questions during lecture.
4. Check CANVAS and dmail regularly.
5. This course is designed so that you spend six to nine hours per week between in-class participation and out of class activities.
6. This course will operate on the philosophy that active engagement with material fosters quality learning. There will be ample opportunity for in-class activities and discussion, both in small groups and with the entire class. Students are expected to read assigned text prior to class and be prepared to participate in class.
7. Students are expected to coordinate in-class small group work effectively.
8. Each student will have courtesy and respectful behavior towards each student and the instructor. Students will refrain from making harassing and discriminating comments in the classroom. Students will be respectful and open-minded about diverse viewpoints expressed in the classroom. Teachers at Dixie

State College have the right to manage the classroom environment to ensure a good learning climate. Toward this end, teachers (or college security) may dismiss and remove disruptive students from individual class activities. If a student's behavior continues to disrupt class activities, the teacher may dismiss and cause the removal of disruptive students from their course. Please refer to the DSC Academic Discipline policy for more information: <http://www.dixie.edu/humanres/policy/sec3/334.html> or www.dixie.edu/humanres/policy/sec5/533.html

Faculty Rights and Responsibilities:

- To establish and implement academic and behavioral standards for the classroom
- To clearly outline expectations, verbally and in syllabi
- To address any inappropriate behavior
- To involve other offices (Dean of Students, Campus Police, etc.) when circumstances arise
- To make a determination regarding possible responses and outcomes for inappropriate behavior within the faculty member's class

What is disruptive behavior?

Disruptive behavior may best be defined as any behavior that inhibits an instructor's ability to conduct class, or behavior that limits another student's ability to benefit from instruction – including conduct, speech, or activity that interferes with the learning activities of other students. Some examples of disruptive behavior may include:

- Physical violence, verbal abuse, or harassment
- Sleeping in class
- Not facing forward in the class
- Putting your feet up on chairs and desks
- Intoxication or illegal drug use
- Use of profanity
- Having side conversations with classmates
- Failing to respect others when expressing their own viewpoints
- Talking while the instructor or another student is talking
- Arriving late to class
- Constant questions or interruptions that interfere with classroom presentation

Students engaging in disruptive behavior will be asked to immediately leave the classroom. If the student does not voluntarily leave the classroom, campus security can be called at DSC Campus Police immediately by calling 437-619-1144 or 435-619-1145.

If you believe that a student in the class is interrupting your ability to learn please notify the instructor as soon as possible so that the issue can be remedied.

9. You will receive grades for completed assignments within 1 week (7 days) of your submission. I will respond to your emails within 24-48 hours (I am usually able to respond within 12-24 hours). However, there is a high probability I will not respond to emails on Saturday and Sunday. Thus, if you email me on Friday at 5pm, there is a likelihood that I will not respond to you until Monday.
